A LOTTA YOTTA STORE NEWS

Wow, July was an awesome month! Lots of new changes and new faces. We have four new staff members at Yottaquest, and all of them are excited to be working here and serving the Community. We'd like to say a big welcome to Dave, Kristen, Anna, and Steven, and hope all of you have a chance to meet them.

July saw the launch of the Quest to End Hunger, an exciting new initiative from Yottaquest to help our local community and provide aid for those who need it. We had received \$66.77 in donations in addition to 49 items. We still have a can at each register for donations, and we are always accepting items for the Mt. Healthy Alliance. Keep an eye on the calendar for more Quest to End Hunger events that will be part of a major drive for more items.

The release of a new Magic set, a 40k tournament, and a MtG Legacy event made for a very packed July, but we've gotten even bigger things in August. The 13th is our Recruit-A-Friend MtG Game Day with great promo's and a bonus for those who recruit. On the 20th we will have an

Ascension tournament. This fast Deckbuilding game has grown to be quite an addiction amongst YQ Staff. On the 27th, we will have our first Warmachine/Hordes tournament in quite a while and we look forward to providing a great event for our players. Also launching is our first two "Lazy Sunday" Events; both are Free tournaments, a 1000pt Warhammer 40k on 21st, and 1500pt Warhammer Fantasy on the 28th.

A big thank you to everyone again, and Game on!

ON A ROLE ROLEPLAYING GAMES

Wizards of the Coast announced several 4th quarter releases including a new edition of the *Book of Vile Darkness*. This game supplement will focus on darker themes for D&D and is intended for more mature gamers.

Also, this fall, the new *Players Option: Heroes of Feywild* sourcebook will provide players with information on creating characters in the Feywild story setting. And, *The Shadowghast Manor Dungeon Tiles* set will help provide the layout for haunted houses and crypts.

Cubicle Seven plans on releasing the highly anticipated RPG, *The One Ring: Over the Edge of the Wild* based, of course, on *The Lord of the Rings* Stories. It will premiere at Gen Con and, hopefully, be on store shelves by the end of the month. It looks great! It includes 2 full-color poster maps. The slipcase cover

This bookshelf style slipcase set includes 2 books, 7 gaming dice and color art is by Tolkien artist John Howe.

WELCOME A BOARD BOARD GAMING

Smirk and Dagger Games plan an August release of *Sutakku*. This dice-stacking game encourages players to push their luck trying to erect the tallest dice tower. Twelve extra-large dice featuring elegant Japanese calligraphy, a dice bag, stacking board and scorecards are included with the game designed for one or more players.

October sees the release of the *Runewars: Banners of War* expansion from Fantasy Flight Games. The expansion will have new units, heroes and tactics as well as variant rules for play. The box set will also include new figures, cards and tokens.

Also from Fantasy Flight, there will be a 4th Quarter release of *A Game of Thrones: The Board Game, Second Edition*. The updated version will be enhanced with elements from other books in the George R. R. Martin series as well as many new cards, updated graphics and clarified rules.

IT'S IN THE CARDS CARD GAMES

The *Star Trek Deck Building Game*, from Bandai, is scheduled to be released by the end of this year. Based on characters from *Star Trek: The Next Generation*, players control crews and vessels to battle or negotiate with alien races. Different game scenarios offer options for team play, co-op or free-for-all.

Cryptozoic will be offering up new card game options beginning in September with *Penny Arcade The Game: Gamers vs. Evil*. Based on the popular web comic, players take on the role of one of the heroes and try to build a deck that will triumph over evil. The game is for 2-4 players and will usually take about 30 minutes to play.

In October, Cryptozoic will be releasing new *Dungeon Decks* for the *World of Warcraft TCG*. Designed for up to 3 players, the game allows both dungeons and characters to increase their power and level during the game. Enhanced play can be gained with the addition of the new *Dungeon Deck Treasure Pack*. These packs include "Loot" and "Dungeon Boss" cards among others.

Also in October, Fantasy Flight Games will ship *Blood Bowl: Team Manager – The Card Game*. This stand-alone game features deck-building for 2-4 players as they try to create a team to win the Blood Bowl Championship.
